# Laguna Honda Path to CMS Certification

## Laguna Honda Recertification Update

We are leading an aggressive initiative to achieve Medicare and Medicaid recertification with CMS.

***Our highest priority is to remain open and continue providing quality healthcare to patients while ensuring federal and state regulatory compliance.***

Hired specialized independent third-party consulting firms who are:

- conducting top-to-bottom assessment (i.e., patient care, culture, leadership, and governance)
- working collaboratively with LHH Incident Command and staff
- providing technical support for ongoing CDPH and CMS compliance

# Laguna Honda Path to CMS Certification

## Path to CMS Certification: Tentative Timeline

May – June 2022

### **Conduct Recertification Readiness Assessment**

- conduct interviews and rounds (on-site visits to learn about patient needs/safety, how to decrease preventable events, address findings)
- compile and communicate findings and recommendations
- **staff development, education, and training**
- collaborate with unions
- **implement ongoing corrective actions, monitor compliance**

# Laguna Honda Path to CMS Certification

## Path to CMS Certification: Tentative Timeline

### JUNE 2022

**Conduct initial full facility mock survey** to prepare for CMS Recertification Surveys, identify system and process improvements, and develop corresponding best practices and recommendations to address findings

### JULY - AUG 2022

**Implement corrective actions** and performance improvement plans.

### AUG 2022

**Conduct second mock survey** (*anticipated in August*) to determine recertification readiness.

- Verifies first mock survey findings are addressed and no new issues

# Laguna Honda Path to CMS Certification

## Path to CMS Certification: Tentative Timeline

AUG 2022

Submit forms for **CMS recertification**

SEPT 2022

CMS conducts facility recertification survey (CMS determines timing)

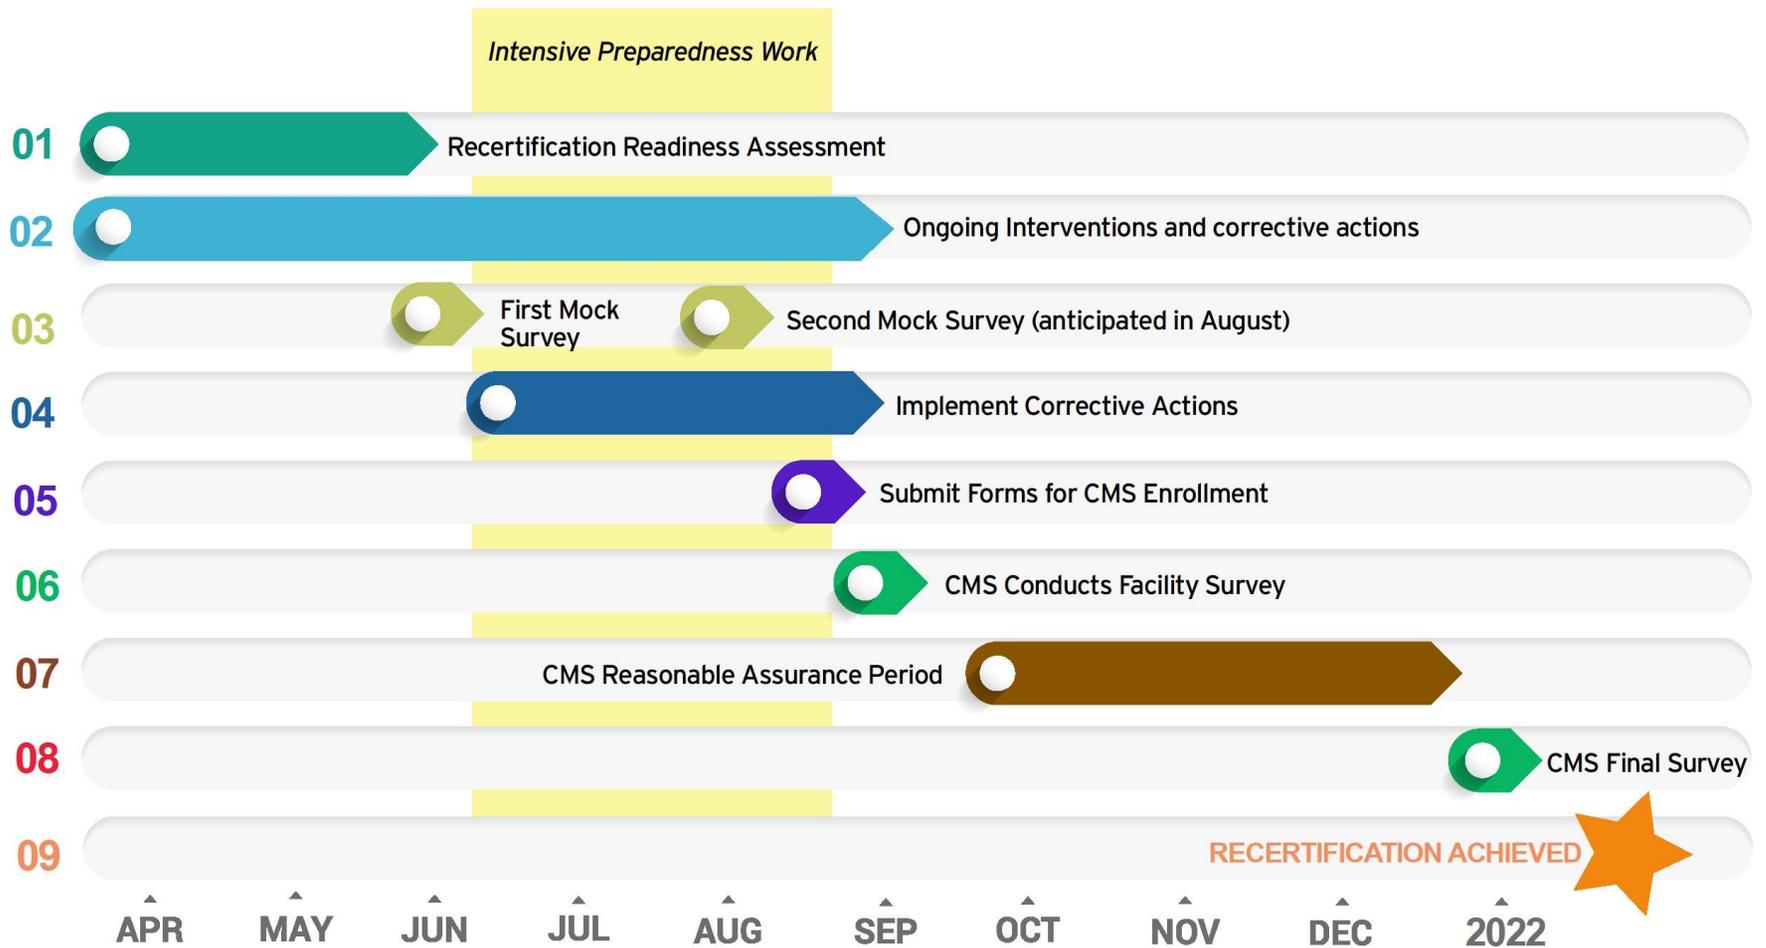

OCT - DEC 2022

- **CMS-required reasonable assurance period** (~ 90-120 days) of compliance with federal regulations and no new deficiencies or findings
  - CMS conducts **final survey** (~ 10 days), gives recertification determination
  - **Recertification achieved** upon successful CMS final recertification survey
-

# Laguna Honda Hospital Closure and Patient Transfer and Relocation Plan Update

June 7, 2022

# Laguna Honda Closure and Patient Transfer and Relocation Plan

Laguna Honda is required by regulation to submit and implement a Closure and Patient Transfer and Relocation Plan.

CMS approved the plan on May 13, 2022, which extends critical federal funding for four months with a possible two-month extension, for a total of six months.

For Laguna Honda to receive continued funding, all efforts must be made to implement the plan, which means we must actively transfer patients.

# Laguna Honda Closure and Patient Transfer and Relocation Plan

Process includes (as outlined in the approved plan):

- Notification of patients and staff
- Process of assessing patients for safe transfers and/or discharges
- Patient and family meetings
- Staff meetings
- Discharge appeal process
- Patient relocation

# Laguna Honda Closure and Patient Transfer and Relocation Plan

Current activities include:

- Resident care teams completing the Patient Placement Assessments for the following:
    - Current level of care
    - Risk for Transfer Trauma
    - Discharge options
  - Contacting Skilled Nursing Facilities in San Francisco, the Bay Area and State-wide for bed availability
    - Once beds are identified, patients are matched for possible submission of transfer referrals
  - Initiation of the Closure and Patient Transfer and Relocation Plan Taskforce to monitor the progress of the plan
    - Meets daily, Monday to Friday
- 

# Laguna Honda Closure and Patient Transfer and Relocation Plan

Current activities include (Continued):

- Partnership with stakeholders
  - Initiating discussions and partnering with agencies such as San Francisco EMS Agency, Health Services Agency, and other DPH and San Francisco Health Network departments and leaders
- Partnering with other skilled nursing facilities for possible referrals.
- Weekly meetings with the California Department of Healthcare Services (DHCS) and the California Department of Public Health (CDPH) for assistance with implementing the plan.
